

Benefits for Military and Veterans

At ENSCO, we appreciate your commitment and sacrifice to our great country. We invite and encourage qualified Active Military, National Guard, Reservists, and Veterans to explore a career at ENSCO. Join a team that values your unique experience.

ENSCO's openings include roles in the fields of Cybersecurity, Software Engineering, Information Systems Security, locomotive engineers and Rail vehicle maintainers. Our roles span multiple industries including the Avionics, Aerospace, National Security, Surface Transportation and Rail Spaces.

SkillBridge

ENSCO is a registered DoD SkillBridge provider, that aims to help bridge skill gaps for active service members during their last 180 days of service.

Military Leave

ENSCO is honored to have employees who continue to serve in the Reserves or National Guard. We offer military leave with pay deferential while employees are on military orders.

Family Friendly Schedule

ENSCO stands by its family friendly culture, and encourages flexible work schedules so you can take care of what matters most.

Tuition Reimbursement

Save your GI Bill! ENSCO offers tuition reimbursement for those who wish to continue their education.

Professional Membership

ENSCO will pay for a professional membership of your choice that is relevant to your duties.

Opportunities to Make a Difference

ENSCO empowers its community to take charge and make a difference. Designing a veterans web page, mentoring and briefing military members are some examples of initiatives led by our veterans.

Diverse Locations

ENSCO has many locations across the country in states such as Virginia, New York, Colorado, Pennsylvania, Florida, and California. In addition, some opportunities are open to remote work.
